

## SEPTEMBER 13<sup>TH</sup>, 2021

On Delores Barr Weaver’s birthday, September 13, we honor her commitment to SEE THE GIRL. To “See the Girl” means to see a girl for her potential, not for her present circumstance. Support the work of the Policy Center to ensure safe and equitable communities for girls, young women, and youth who identify as female who are involved in the justice system. Your support raises funds for our programs and engages our community in this impactful work.

### GET INVOLVED <sup>1</sup>

- 1. Sponsor a girl**

The Girl Matters: It’s Elementary early intervention program serves girls in three DCPS Elementary Schools and provides an alternative to suspension. Your sponsorship develops social & emotional skill building opportunities by providing art supplies, treasure boxes, and rewards as tools. \$100 supports a girl’s supplies.
- 2. But first, coffee.**

We bring the coffee, you bring the guests! Invite a few friends to join you in exploring what it means to See the Girl, and learn about the status of girls in our community. Guests will receive their own signature See the Girl mug.
- 3. Let’s get social!**

Your personal network can be extremely impactful! Share the Policy Center’s See the Girl Day posts or host a Facebook fundraiser of your own. \$100 provides an hour of therapy for a girl.
- 4. DRIVE change**

Collect gift cards (i.e. Walmart, Amazon) for girls as rewards for reaching therapy goals. Donation drives spread awareness and collect useful gifts. Let’s get creative together and find ways to engage your friends.
- 5. Engage your customers**

Commit to donate a percentage of sales, offer your customers discounts for donations, or display See the Girl pins and flyers in your place of business or work.
- 6. Begin with a PIN**

We will drop off pins to your workplace. Ask your colleagues to make a donation and wear their pin proudly. See the Girl pins raise awareness about the work and mission of the Policy Center.
